OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE

Notification dated 23rd June 1950.

To

The Commissioner of Income-tax,
Mysore *cum* Travancore-Cochin,
Old Residency Office Buildings, Bangalore.

Sir,

Subject.—Deduction of tax during the year 1950-51 from Salaries.

No. 274—GAD. In continuation of the correspondence resting with this office letter No. 103—GAD., dated the 13th May 1950, on the subject indicated above, I am to forward herewith a copy of the Government of India, Ministry of Finance, letter No. C. 57-St. (Int.) IT—49, dated the 7th June 1950, and to request that a Circular based on the Government of India letter quoted above may kindly be issued to all Heads of Departments, and the Treasury Officers in the Mysore State.

Yours faithfully,
V. T. SREENIVASAN,
Accountant-General.

2386

Letter No. 57-St (Int.) IT—49, dated 7th June 1950, from the Government of India, Ministry of Finance (Revenue Division), New Delhi, to all the Accountants-General and Comptrollers.

Subject:—Exemption from tax — Assessment of—Salaries of persons, formerly employed by Part B States but now employed by the Central Government.

I am directed to invite a reference to this Ministry's letter of even number dated the 27th April 1950 and to say that a doubt has arisen whether for the purposes of allowing rebate in respect of contributions to General Provident Fund, payment of Insurance premia and grant of relief for earned income, the provisions of Indian Income-tax Act should be applied or the provisions of the State Income-tax Acts as they stood before 1st April 1950.

The Indian Income-tax Act, 1922, has been applied to all the Part B States with effect from the 1st April 1950 (13th April for PEPSU) and it is this law that is now in force in these areas. All that meant by the instructions contained in this Ministry's letter of the 27th April 1950 was that in assessing salaried persons in Part B States, the rates of tax applicable will be not the rates prescribed by the Finance Act, 1950, but the rates prescribed by the States Acts which were in force immediately before the 1st April 1950 or in other words the computation of income from salary and the grant of rebates will be made under the Indian Law, the rates applicable however being the rates in force in the States before 1st April 1950.

The rates applicable in the States of Hyderabad, Saurashtra and Mysore are contained in the enclosures to this Ministry's letter of the 27th April 1950.

So far as PEPSU, Travancore and Cochin are concerned the rates will be the rates in force in India as prescribed by the Finance Act, 1950.
